OM NARBHAVEE

E Book 107

GIST of Kaka Bhujanda Ramani Blessings Mr. Sasikanth Oak on 15 JUN 95 Thursday …

I am quite delighted to see the dice No 5 brought out in this day of Guru, ruled by the Star of Vishnu. You are one amongst the happy service personnel of the air wing of the Defence Dept of Govt of India who use small aircraft like the ancient " Pushpak Vimana" to add to up defence strength of the Nation. These aircraft are being used to

undertake fast flights n line space in order to encounter enemy attacks more quickly. You are the one who serves in the department like a teacher or Instructor to the staff concerned in the department.

Hear my son! Due to your past good deeds in your earlier incarnations, you are destined to investigate and experience the enlightenment of the Self through 'Sadhana' in this birth. With your past good association with ascetics and seers and by God's blessings you had several opportunities to hear and understand the greatness of the astrological treatise called "Nadi" of many eminent ascetics.

You also had occasions to hear inquire, and understand the richness of their predictions to people. This shall enable you to gain a lot of spiritual strength, ie 'Atma Bala'. Due to your past worship of ascetics, you have earned their compassionate blessings. You

shall henceforth be fortunate enough to come across very many spiritual truths during the last quarter of your present life term.

By Aug-sept in his year onwards, you shall take up and publish more inspired Writings on this subtle art, by which you will gain a sense of contentment. These writings shall pave the proper way for the masses, on the subject. You shall be known as an expert teacher on the subject matter, earning a good name and fame.

You shall also experience all happiness and prosperity in your family taking full care of your Childens' future.

What you continue to write during this Tamil Year - "YUVA VARSHA" ie, from Aug. Sep onwards Shall be born out of positive convictions and authentic conclusions of this blessed art of ascetics. **You are blessed to reach the peak of your eminence,**

greatness, authenticity and fame on the subject, during dice last quarter of your life span in this birth. You shall imbibe an intensive inner urge and craving for rendering some good service to humanity which shall enable you to derive all good to yourself and the family.{Edited: Jul 2024 I will be 75 ; may be am in last quarter of life!}

A bright future is closely ahead for you to experience many surprising events, You shall take-up the renovation work of a temple. You may recollect your past experiences of your worship of Divine Mother and the influences derived by you out of your past associations / services to the ascetics who are involved in active Global service to humanity, You shall publish these facts through your future inspired writings for the benefit of the masses and earn great name and fame. You

have a long period of longevity indeed, in your present worldly life,

An "ARULEDU" - अरुळेडु" (Blessed book of a palmyra leaves) shall reach your hands in future for purpose of rendering service to humanity with a divine cause. By going through such a personal experience. You shall realise conviction, the immaculate power intricacies and greatness of this subtle art of astrological treatise of ascetics who constantly establish perpetual and personal and advisory contact with worldly beings surcharged with the compassionate blessing of Lord Paramasiva. You are therefore destined to reach out greater heights of name and fame.

Hear me my son, more.

You are the one derive a sense of pleasure in listening to many blessed palm - leaf scripts of ascetics, by travailing from one place to another. With the compassionate blessings

of these ascetics, you shall henceforth attain all prosperity in worldly life, establish friendly contacts with blessed ones and enjoy all worldly pleasures in life.

You shall be instrumental in conveying good and auspicious events in the life of worldly people to make their life smoother & happier. You shall get such a power due to the past good deeds performed by you in your previous birth. You shall attain self-realisation inner true kind and full blessings of the 'GURU' enabling you to function like a spiritual guide to many.

The starting point for such a transformation shall be from Aug-Sept this year. You shall attain the Godly power to guide and lead people and their life path to make it more purposeful devoid of sorrows, this transformation in your life shall take place while you continue to remain in your

present service in Defence Dept of the air-wing.

You have the full blessings of Divine Mother you are destined to realise significance and greatness of the "language of Devas" (Sanskrit) appearing as animated words through, spiritual sadhana. You shall experience all property in worldly life by the end of this Tamil year (ie, by 16th April (1996) Thereafter

With the next 4 years time.You shall experience many spiritual truths based on which you may continue writing publishing many more books to the benefit of humanity. You shall therefore become an interpreting young spiritual writer, author practitioner and guide while remaining under the protection and guidance of great ascetics. Due to the past good 'karma's and the resultant Spiritual unfoldment You experienced in your earlier birth. You shall

attain 3 kinds spiritual initiations in this life from a great ascetic, vis; initiation through touch, vision and wisdom. Such an event shall take place on a specified day, quite unexpectedly, like a cool breeze caressing the body while you circumambulate the sacred Thiruvannamalai Hills which is Divine seat of Mother Divine. Although you are not inclined to receive the truthful content of these words of mine this day attaching its full significance, You are destined to experience all prosperity on the life devoid of any further obstacles/impediments in your life path. You may just wait & see. Better days of worldly prosperity are closely ahead from the period Aug-Sept onward this year,

You shall attain a great revelation and spiritual upliftment within the next 4 years enabling in to your gain the power to read blessed words of ascetics to the benefit of

worldly beings. By doing so, you shall experience the bliss of self- contaminant, which is inexplicable. You shall experience worldly containments in family life as well. You shall attain self-strength (Alma - Bala) and wisdom, through blessed words of ascetics. I shall see that your attain the purpose of life taken by you in this birth itself, You shall gain Atma Bala (Self-strength) while you read out words of blessings of ascetics to persons who approach you for same to gain solace for their worldly problems. Your shall attain all material and worldly containments in life within One year and eight months period. Therefore you shall attain sustained spiritual progress and attainment well within the next four years time through the initiation of a great ascetic.

You shall be led to overcome all deficiencies and obstacles in life, from now

on. You may observe these words very carefully. You shall not only attain the satisfaction of gaining full potency of the Guru's Grace, but also gain self contentment in visualising the physical form of Divine Mother. These experiences shall lead you to a state of ultimate spiritual realisation (अनुभूति) in this life time itself. With this, you shall attain a yoga similar Raja Yoga' to make you instrumental for divine service to humanity for their betterment of life. You shall remain ever blissful and self- contended till the end of your life cycle right under the grace and vision of great saints and seers.

It is out of a specific Divine Will and cause, these blessed words are coming to your on this day of Guru. You shall undergo many many surprising events during intermittent short periods of time within the next 4 year period, enabling you to experience the

richness and happiness of worldly life. These blessed experiences are caused by the past good deeds performed by you to please ascetics and seers in your previous births. Due to the same cause and reason you are destined to receive initiation of wisdom in its natural course of time, to pave way for you to gain more name and fame in this birth. You shall gain the friendship and help of good people having 'Atma Bala' and Godliness, since you may lead a purposeful Service Oriented life of the Divine to the benefit of humanity. Many a good number of souls shall assemble around you to listen through you, the compassionate words of blessings of ascetics in the "language of Devas". (ie. Sanskrit)

Within the next Ten years, you shall attain an elated and purposeful worldly and Spiritual life endowed with immense. 'Atma-Bala'.

This Aug- sept shall be the starting point for you to realise the significance of taking this blessed life. You shall succeed in experiencing containment in worldly life before the next March - April 1996

Let me disclose this to you who played the dice to-day. You shall attain with great pleasure, the compassionate blessings of God, While remaining under the vision to care of great ascetics and seers. I shall let you know the means and ways as to how to realise and experience by yourself the purpose of taking this birth, and the branch of Divine Service that you have to take up for the benefit of humanity, some time later-on.

My blessings to you,

NAR BRAVEE.

Divine words of Blessings of KAKA BHUJANDA DEVA as appeared in HIS "Jeeva-Nadi" read out by GNĀNA VĀSHISTA SIKHARAM ARULMĀMANI SHRI. R.V. RAMANI GURUJI, No. 18, Alamelupuram, Salaiyoor P.O (Ph: 2355595) for Wing Comm: Sashikanth Oak on .... (Thursday - morning) - The gist of the reading translated in English with the Blessings of Kaka Bhujanda Ramaniji, by one of his disciples:

After invoking Goddess Rajarajeswari & Lord Parmasiva ....

Right under the splendid, scintillating moon-beam vision of Uma Maheswari, the great seers, sidhas, sages and other saintly beings of high spiritual order purposefully congregated here and now, wants me to speak to you, so that the blessed vibrations of these words could ward-off the calamities, evils, adversities and sufferings of worldly human beings assembled here & now, on this day.

To-day, being a Thursday, falling on the growing phase of the moon, Divine Mother Uma with immense delight and joy blesses every living being assembled here to-day. All those who gathered today shall only experience all contentments, with Her divine grace, but never failures, sufferings, and discontentments in life. This is a day synonymous to the GURU, particularly significant as it falls on the growing phase of the moon.
